

MANDARIN ORIENTAL
KUALA LUMPUR

Welcome to Mandarin Oriental
Immerse yourself in Kuala Lumpur

Beautifully located in the city centre and by the park

Mandarin Oriental, Kuala Lumpur is located in the centre of the city, adjacent to the tree-lined paths and flowering gardens of Kuala Lumpur City Centre Park. The world famous Petronas Twin Towers are a two minute walk from our hotel and equally close by are the designer shops, local markets and colourful street stalls.

The city's most impressive views

Our guests have spectacular views from all our 30 floors. Choose the tranquil tropical park or the energetic heights of the city, or combine either with the impressive sight of the Petronas Twin Towers which soar 88 floors into the sky.

30 floors of rooms with views

We have 551 rooms with far reaching views over the Kuala Lumpur skyline or the peaceful green park. Our Mandarin Oriental Club Rooms are situated on private floors, between 24 and 30, with an exclusive Club Lounge, where you'll find complimentary breakfasts and evening cocktails.

Suites and apartments

We have 41 spacious suites all with fabulous views. Try our Club Suites, with four poster beds, a dining room, kitchen, and lavish bathrooms, or experience our 335-square meter Presidential Suite, complete with its own grand piano. For extended city stays, we recommend our full-service apartments, elegant homes with all the luxuries and services of Mandarin Oriental.

Dine around the world

A variety of dining venues serving a range of international cuisine. Visit Lai Po Heen for Cantonese classics or Wasabi Bistro for Japanese. Enjoy regional favourites at Mosaic, or poolside lunch at Cascade for Mediterranean specialties. For a sophisticated evening, try Mandarin Grill, renowned for the best cuts of meats.

Relaxation and exercise

The Spa at Mandarin Oriental has eight beautiful treatment rooms where you can enjoy our renowned signature therapies and a journey through our heat and water oasis. Sauna, steam and whirlpool facilities are also available at our Vitality Club and fitness centre. We have two pools; one spectacular infinity pool and another for children, two outdoor tennis courts and two indoor squash courts.
